

# RISING TO NEW HEIGHTS

## Child Care Summer Conference 2019

**Pre-Conference Speaker: Sue Hancock**  
TECPDS # 1018, Master Registered Trainer

### “Communication as a Life Skill”

We all understand that effectively conveying information is a learned skill—a skill that plays a vital role in our lives, whether it’s communicating with children in the classroom, sharing information with parents, or interacting with our colleagues and co-workers. We all understand—or do we?

Come share some time and interaction to discuss how we can add more and better communication skills to our toolkits. Learn to define and utilize communication skills, recognize at least two different styles of communication, and identify two strategies to help in practicing good communication.

Let’s talk!

Date: Friday, August 9, 2019  
Time: 6:00 pm Check In & Light Snacks
